

Jerry Loyd "Pepper" Martin

September 30, 1948 - March 5, 2025

It is with deep sorrow that we announce the passing of Jerry Loyd "Pepper" Martin, born on September 30, 1949, who left us on March 5, 2025, at the age of 75.

Pepper was a man of simple pleasures, finding joy in the peaceful moments of life. He loved spending his days on the golf course, enjoying the game and the calm it brought him. A longtime smoker, Pepper had a quiet way about him, often with a cigarette in hand, accompanied by his distinctive sense of humor that could bring a smile to anyone lucky enough to hear it.

Pepper was married to his loving wife, Sandra Martin, for nearly 50 years. Their bond was a testament to enduring love, built on years of shared memories and mutual respect. Together, they raised their only daughter, Michelle Martin, who was the pride and joy of his life.

Though he was a man who preferred the company of family over crowds, his unique humor and quiet wisdom left a lasting impact on those who knew him best. He will be remembered not just for his love of golf, but for his devotion to his family and his distinctive spirit.

Pepper is survived by his wife, Sandra, his daughter Michelle, and many others whose lives he touched in his own quiet, unforgettable way.

He will be greatly missed, but his memory will live on in the hearts of all who loved him. A celebration of life will be announced at a later date.
