

Jesse "Cody" Kinsey

February 25, 1989 - January 11, 2013

Jesse "Cody" Kinsey was born February 25, 1989 and rode his motorcycle from this life into the next on January 11, 2013. He was 23.

At the age of 18 he went to work for Permian Power Tong and was employed there for five years. Most recently he was employed with Byrd Oilfield Services. His work ethic was superb and he was a leading example among his co-workers inspiring many to be like him. He was known by many as the "Laydown Legend" and for the past five years had been training others in the oilfield.

Cody always had a smile on his face! He was loving to friends, family and animals and they in turn, loved him too. He never met a stranger! He began to ride as soon as he was able and spent a lot of time at the race track. Over the last several years he'd been working on a 1987 Mustang muscle car. Cody loved to play racing games.

Preceding Cody in death is his father, Ronnie Gene Kinsey; grandfathers, Kenneth Kinsey, Zack Day; grandmother, Betty Kinsey Boren.
