Jesus "Jesse/Chuyito" Romo, 37 of Midland, Texas was born August 19, 1985 in Kalamazoo, Michigan passed away unexpectedly January 26, 2023.

Jesse is reunited with his mom, Juanita Aguilar, his dad, Jesus Romo, grandfathers, uncles, aunts and cousins. With heavy hearts the ones left to cherish his memory are Grandma, Juanita Romo, Grandma, Alvina Navarette, son, Ayden Romo, brother, Angel and Cassi Romo, brother, Pete Diaz, sister, Charissa and Israel Vazquez, nephews, Mason Romo, Jacob Wofford, Angel and Antonio Vazquez, nieces, Avory and Izabella Diaz, Anabella Vazquez, plus many uncles, aunts, cousins and friends.

When Jesse loved something it was a LOUD PROUD and PASSIONATE kind of love. His first and most proud love is his son, Ayden Romo. There wasn't a conversation each time he was around that didn't include how much he loved, how proud and/or what Ayden was currently excelling at. He was Philadelphia Eagles BIGGEST fan! You would think he was the owner or the head coach. He was a hard worker, had great customer service and was proud to give 110%. Other things he loved: dancing, teaching Zumba, playing video games against his nephews, movies and Dragonball Z. He loved food with EXTRA HOT hot sauce and had beans or chips with every meal. He had his own goofy language, was outgoing, and loved the holidays.

We love you! You're definitely gone too soon and will be missed by many!

Many thanks to all the family, friends, employer and co-workers for all the compassion, love , dinners, donations and kindness shown during this difficult time. We are forever grateful!!
