“ *This man had a beautiful soul! He welcomed me in to his home, shared laughter, and memories with me. He was strong and full of enthusiasm, grace, and hope through his eye procedures and even his health issues. He was faithful and full of Gods love. He showed me kindness and love in everything he did. He demonstrated genuine pure love for his spouse and taught me love is possible. Him and his wife showed me genuine kindness and love every time we spoke! My heart goes out for Mr Choyce's wife Donna and family.*

This world will truly miss you and all the light and love you brought with your laughter and gentle words. May the lord Bless you in heaven!
