“ *I knew Brother Hayes from church. When I was a kid, teenager, and young adult, he often took the time to speak with me and I always enjoyed seeing him. He was genuinely kind, had a good sense of humor, and my days were better when I got to speak with him. He will be missed.*

“ Where do I start when it comes memories of our our sweet John Robert? So many childhood memories of time cousins spent together. The love we had for each other endured even when we were miles apart. John was a wonderful minister and his love for GOD was at the very front of his daily life. He has joined all of those gone before us and one day we will join him at the throne of GOD! Love you forever John Robert!

Dear Vickie and all of John Robert's family, our sincere sympathy for your loss. May God embrace each of you with his love and grace at this time. I have so many fond memories of our time we spent together in the summers. What I remember the most was being outside all day, yet knowing there would be an afternoon shower. We grew up loving family and it has stayed with us as we went our separate ways. Love you and we will see you again.
