“ *My Dear Cousin Jr. I am deeply saddened that you are not here with us physically in this world but your wonderful memory will always live in our heart's. Growing up with you through in our younger years, you shown me how to be tough, fearless but yet kind and gentle. You left a positive impact in my life, and I will never forget you for that. You helped me find myself and become the strong, courageous and fearless man that I am today. I love you, Jr.*

Even though we didn't see or talk much I hold all of our memories as kids very close to my heart. I thank God so much for giving me at least that one last time with you to share laughs and hugs, ill never forget that day. Its so hard to let you go, but I know you're in a better place now and looking down on all of us. If tears could build a stairway, and memories a lane, id walk right up to heaven and bring you home again. May you find comfort in the arms of an angel. RIP cousin, you will be missed tremendously, I love you.

*Love,
Moca*
