*Michael, Jill & Jane, we are so sorry to hear about Joyce. I so enjoyed working with her while we were at ECISD. She always made me laugh whether I spoke to her in person or on the phone. Last time I saw her was at the Horseshoe Arena with the Gardener's Club (sorry I forgot the actual name); anyway, she tried to talk me into joining. She had Becki & I laughing so hard! She convinced me but I told her I had to wait to I was completely retired...She will truly be missed, but even right now, just thinking about her makes me smile. Can you imagine what she is now doing in heaven? Michael, Chris & Greg also send their condolences. God Bless you. You are in our thoughts and prayers.
