“ I hadn't seen Jeanne since the summer after she graduated high school in 1980. I had thought of her recently, and today I see this. My condolences to her Mom, Kitty, and her sister Caroline, as well as her extended family and friends. R.I.P. Jeanne.

I'm adding a couple of pics from a much happier time.

“ Please accept our sincere condolences on the passing of your precious Mom. It was an honor for us to have known such a great lady and to have been able to count her as our friend. We knew both your Mom and Dad through the PI world. Your parents were a terrific team--experts in their chosen field, committed volunteers & dedicated to the Texas Association of Licensed Investigators, and mentors to those around them. We have many cherished memories of happy times spent with Robert and Jeanne.

“ Our love and thoughts go out to the family. We remember Jeanie as a young teenager with a lot of life through our daughter in law, her sister, Caroline. We know that she is in peace and we extend comfort and prayers to her love ones.
