

Kenneth Michael Scott

January 19, 1993 - June 6, 2024

Kenneth "Kenny" Michael Scott found his peace Thursday, June 6, 2024, at the young age of 31.

Kenny was a goofy, fun-loving, bubbly man who loved nothing more than spending time at home with his family and being one with nature. He loved critter hunting with his daughter and exploring his Native American heritage. Watching her grow was the highlight of his life. He was consumed with his love for his wife and his passion for music. He loved making people happy and showing them they aren't alone.

Kenny will be missed dearly, and his spirit will live on through his family.

Those left to cherish his love and memories are his wife, Carley Scott; daughter, Wyatt Scott; his mother, Chariti Scott; father, Dennis Langdon Jr.; sister, Abigale Maddox; grandmother, Ellen Scott; and grandfather, Paul Sparkman.

A celebration of life to honor Kenneth will be held on Saturday, June 15, 2024 at 10 AM at American Heritage Funeral Home.

“ While I didn't know Kenny for very long, it was easy to see his kindness and love for his family. He was bright, energetic, full of possibilities and so very sweet. His love for nature was apparent. Watching him lift Wyatt to see baby birds in a nest and showing her how to be careful with cactus will be a favorite memory of Kenny. We will miss Kenny and all the brightness he brought to this world. Let your dreams be your wings, Kenny!
