

Kurt George Dunlap

February 11, 1960 - December 11, 2014

Kurt George Dunlap went Home Thursday December 11, 2014, after a very brief illness.

Kurt was born on February 11, 1960 to Lillian and George Dunlap in Tucson, Arizona. After high school, he joined the United States Army and was stationed in Germany for the duration of his service. He then started working in the oilfield in Alaska. His son, Dustin, was born July 28, 1985. He then traveled all over the United States, chasing the oil. In 1999, he moved to Midland, Texas, which would become his home. He met Sandy Thames-Childers in 2000 and they finally tied the knot on 10-11-12. Kurt enjoyed fishing, liked to invite everyone over for a cookout or a crawfish boil, and his favorite pastime was riding his beloved Harley and making it shine until it couldn't shine anymore! He was a member of the Patriot Guard Riders, The VFW and the American Legion.

He is preceded in death by his parents, Lillian and George, and father-in-law, Andy Thames. He is survived by his wife, Sandy, sons Dustin Dunlap and Drew Childers, daughter, Janice Kincheloe and her husband Ronald, who by the way, were married in the hospital last Monday, because Janice wanted her Daddy at her wedding. He is also survived by his mother in law, Florence Thames, his beloved dogs Itchy and Sadie, 3 brothers, Craig, Mark and Eric, and one sister Denise Clark, and many nieces, nephews and extended family.

Services will be held at American Heritage on Monday, December 15th at 11:00am. Following the memorial, we will head to the VFW, Post 4149 for one last cookout with Kurt.

In lieu of florals, donations can be made to the Permian Basin Honor Flight, MS Society, or a charity of your choice.
