Evelyn, both you and Larry were such an important part of the lives of Gatesville people who moved in so many different venues, and we missed you when you moved. His involvement in Exchange Club was exemplary, and he was appreciated to the max. You and I have a bond that goes back to TDCJ and "the girls." I can assure you that so many people out here have had you in their hearts and prayers, and some may not reach out and touch, but there's a multitude out here who love you and your family. Love and prayers from all of us. Laura White

“ *Am so sorry to hear as Larry was the first Gatesville TX when he called me about doing a story about Guardian Angels for Soldier's Pet. He came out to visit and take pictures. He did such an awesome job and until he retired any time I had an article for the paper all I had to do was send him an email and the article was in the next paper. Definitely as great man and someone I will never forget. Rest in Peace Larry - many prayers to his family, friends, and Gatesville Messenger co-workers. Respectfully, Linda Spurlin-Dominik, CEO Guardian Angels for Soldier's Pet.*

My favorite memory with Larry is when there was a parade and Larry would be walking along taking pictures, he always managed to aim the camera at me. It got to be a "game" between us because when I would be ready with my camera and shoot a couple of him. By the time he got to me I would act "mad" and tell him. Larry, you broke another one! Lol He was a wonderful friendly person and will be missed by all from Gatesville, Tex. that knew him.
