“ To my sister Lea, though years and miles parted us you will ever live in our hearts, as young children you and I were together through many storms and I thank you for being there with me and trying to make our lives normal. You have me strength through your strength. I will love and remember you always. They say sisters never part they say we keep a part of them with us always. I thank god you are out of pain and are in gods loving arms

“ Rest In Peace dear sister. A memory came to mind today and I wanted to share a happy (and funny) memory. When you weee born, I was 3 1/2 and I insisted Mom and Dad name you Juanita 😂 she was my SS teacher and I thought she was beautiful and had a beautiful name. I couldn't understand why they wouldn't honor my request 😂😂😂 Thanks for making sure I was fed when I had my surgery on both feet and couldn't walk for 3 weeks, I would have starved to death. Will miss our long talks. Until we meet again. Love you and am grateful you are out of pain. Go rest high on that mountain ❤️
