“ So sad to hear about Lindsey. So thankful for the memories of her being friends with my son Lance at Ross, they had some good times and worked hard on a few projects. I've ran into her several times over the years and she always came right up to me with a huge hug. You will be missed.

“ May you R.I.P Lindsey Tolbert...I will never forget the day you went out of your way to help me when I ran out of Albuterol for my sons asthma! I remember being so grateful that God sent you my way because you really didn't even know me yet. And to top it off you came all the way to my house with Kirby to bring it to me! That goes to show what a wonderful person you are. I am gonna miss you!
