“ I had the privilege of meeting Lisa in Acuna last year. She was such an inspiration to everyone in the clinic. She would pray for others even while she was suffering. She was a special blessing to me and my husband, Butch who was also receiving treatment there. Butch lost his battle with cancer November 28. Lisa continued to keep in touch and always offer encouragement. I feel so blessed to have known her and will miss her dearly! Love you Lisa!

“ We have such great memories of Lisa and the George family from the days when the boys were young -- trips to the Sandhills, putting "special" candles on Joe Don's birthday cake and almost causing a fire, serving at youth banquets, and so many more. We are praying for the family and looking forward to seeing Lisa again.

Lisa was a great teacher/mentor. I will always be grateful for the time we worked together and everything she taught me. I have lots of great and funny memories of her. She loved and adored her family. Her love for her family is beyond measure. May God wrap His arms around all the family and give you all strength during this difficult time.
