“ Too many memories to post but the one that stands out the most is how much Uncle Punkin and my Dad Richard Mayfield loved the Dallas Cowboys. Needless to say they were always loud and when they won the Superbowls in the 90's it was as if they played themselves. He and my Dad had a brother kind of friendship. He was always making us kid's laugh and he was a big part of my family as far back as I can remember. Now he and my Dad are probably catching up making up for lost time. He will always hold a special place in my heart forever. ❤️
