“ Sam, I don't recall ever meeting your mother, but I probably did. As I recall, you and I were in the same elementary school at Burnet. I can't remember what grade. Anyway, we were friends. I wanted to express to you my condolences for the loss of the mother. I have lost both of my parents within the past three years. After their passing, my wife Becki and I decided to leave Odessa and move to a small rural community near Austin. I am still working but am looking forward to retirement. I hope things are going well for you and your family, and I wanted to take this opportunity to reach out to you.

Regards.
