“ Michael was not just my cousin. He was more like a brother. He was one of the funnest people I've ever know. He loved his family and all of his children so much. He could always make me laugh. He was such a fighter. He will always be in my heart. Loved and missed beyond measure.

“ Jenna you and the kids have been in my prayers. I met Micheal one time when you introduced me to him in Dillard’s. He talked about how the Lord was healing him and about how much he loved you. He said he couldn’t have done without the miracle of Jesus and without you by his side. I could tell he was quite a character with a fun personality and a great sense of humor. I love you sweetie. I am sending y’all big hugs.
