“ Monica. To say her name was to light up a room. She was brilliant. We used to have a contest called, "never met a stranger". Hahahaha!! She didn't always win but it was a hell of a fight. I've known her for 11 years. I don't think anyone believed that we would be mothers. One day we woke up and had boys... the both of us!!! Jesus calls us to walk by faith. In my heart i know i will see my friend again, no matter the circumstances. The God I serve is forgiving. To her boys, walk by faith. Know that your mother shines in you. To her friends, let us shine for her and show our faith through the kindness that she showed all of us. Rest in peace pretty lady.

“ I have known Monica since she was 14. I tried desperately to get her to try out for cheerleader with me but she was quick to inform me that she was not that "preppy or peppy". Since then, I spent 3 years along side her at Buffalo Wild Wings, then another 2 at Krocs Bar. We shared many many countless laughs and late nights (early mornings) together. I watched her boys grow from the time they were both in her belly, until they were little gentlemen with Monica's attitude and quick wit. Nothing will ever compare to the way her presence would light up any room she entered. There is nothing that will heal this hole in my heart. The world got a little bit darker yesterday. Keep shining baby girl. "Bye Felicia."

“ Our condolences go out to Monica's family and her beautiful sons. She attended Fit For the Cross awhile back and I myself, had the pleasure of getting to know her. She always walked in with a smile, worked out hard and yet, she never complained. The time you were at FFTC Monica, you were a blessing to us because of your smile and your wonderful personality. May God wrap you in His arms tonight and I pray your family is looking to Him for comfort. Our hearts are broken to see such a sweet young girl leave this world too soon. From all of us here at Fit For the Cross, our thoughts and our prayers are with you all.

“ I would like to offer my deepest condolences to Ms. Ruiz's family, especially her son Jesse. I had the privilege of meeting Ms. Ruiz when she brought her son to my school to train. She was an awesome person and a great mother. She always was there for her son, Jesse. To her son Jesse, my heart is broken for your loss, Mrs. Perez and I will keep you and your brother in our prayers always.
With a heavy heart,

“ *I have known Monica since elementary school. Even though in our lives after High School we didn't talk much I always remember how nice of a person she was, how she made my first day of working Torino's an amazing one. Her smile and her upbeat look on life was always so contagious. She was a wonderful person and will be well missed. I will be lighting a candle tonight in her memory. My thoughts and prayers go to her family.*
