“ He was a good painter for cars. He painted the flames on my dad’s car a long time ago. And did an excellent job. He was very outgoing and loved my dad’s car as much as my family does. And I remember when my dad was still here that him and Montie would talk for hours and hours about all these cars and collectibles. And I remember that Montie did have quite a collection. You are truly going to be missed by my family for sure.

“ Montie was definitely one of a kind. I had the pleasure of meeting in 1988. Reccomended to me by a friend to do some exhaust work. Over the years i would stop in on my lunch break and chat up Montie. The man always had a smile on his face and a ❤️ as big as Dallas. We had another mutual friend JR. And I'm sure all of you knew JR. And where the big heart comes into play. I'm sure going to miss popping in when in town to catch up. Rest in peace My Friend.

“ *Montie, Michael and me the 3 M's lived together over on Clinton Street. Montie loved to entertain. If we weren't at the lake or a Beach somewhere we were having people come hang out the house. Everyone had a vette, Z28 or some type of Hot Rod. Those were fun times. One of the only time the cops were called happened when some crazy cat got in and we were chasing it from room to room trying to get the cat out. I think it was scared to death. Now that was one crazy cat and all the yelling and laughing convinced one of the neighbors someone was being slaughtered at the house and they called us in. Mr. Montie was always willing to help everyone and made them feel like part of the group. Montie will be truly missed. Ray*

“ *Ironically Monte and I went to several High Schools together. Cy-Fair in Houston and Permian Odessa. Unknowingly at Cy-Fair we both attended an auto mechanics class. It was great to see someone that I knew from Odessa. Ironically again we both returned to Odessa and graduated at Permian. He was to me a kind sole and had a great personality.*
