“ There are no words to describe the love that I have for my mom. This has been the hardest thing that I have ever had to go thru in my life. I have felt such sadness this week. I know that she is in a better and more peaceful place but it does not stop the sadness from setting in.

I have so many wonderful memories of my mom that I could not even think of just one to put on this wall. She was always there for me and all her kids anytime we needed anything. She was so kind and considerate of others and always very protective of her kids. She was a worrier and always worried about all her kids. It was just part of who she was. She was a fun person to be around and everyone always felt welcomed with her. Anytime anyone came to the house, she would put everything down and come sit down and talk to you. This is very unusual to find nowadays.

I want to thanks all my family and friends for putting such wonderful thoughts about her on here and Facebook. I am so happy that so many people got to meet my mom and consider her family or a friend. She has touched so many lives and made people better for knowing her.

I love you so much, mom and miss you so deeply.

“ Gone but never forgotten.....We shared many years of memories and those will live on. Nancy's love will live on thru her boys and grandchildren. She gave that love freely and shaped all their lives. May all of you find comfort and peace in the knowledge she made a difference and will be missed by many. You will remain in my heart, my thoughts and my prayers.

“ *My Mother A Rose*

*A rose so rare,
one of its kind,
love and beauty a mother,
yes!
mine.*

*A rose without thorns,
not a petal was torn,
a perfect rose stood straight and tall,
my mother was the most precious of all.*

*A rose that survived the worst kind of weather and yet the most
delicate ever,*

*a rose with a fragrance,
there could be know other,
you see this rose is my Mother.*

*A rose is picked and put to dry,
the beauty is still there,
it never dies.*

“ Prayers for Bob, all of the Roach and Walters family. Nancy was a sweet and wonderful Sister and Sister in Law, who worried more about others than herself. She will be missed. May you find peace and comfort in the wonderful memories we all share of her. Much love, Jack, Cheryl and Family

“ *My heart breaks with the loss of my dear sister and friend Nancy. You were a devout Christian, faithful wife and devoted Mother, Grandmother and Greatgrandmother. Your quick wit and sense of humor always came out when it was least expected. You had to listen to your quiet voice to hear it sometimes but even when you were very sick it showed through. I love you with all my heart and will miss our visits and phone calls. I pray for Bob and the family that they will be at peace and expect to see you again in paradise. Love you.*
