“ My Beautiful Nanny ❤️
I love you with all my heart! Thank you for everything you did for me and my brother joeray. You were such an amazing Grandma. I will miss our long conversations and all the good advice you gave me. You were just like a mom to me. You were always there when I needed you the most. I know you are no longer in pain and you fought so hard. You were such a strong lady and I will always look up to you in life. I will miss those amazing homemade cooked meals that you would cook for us. They were the best! I promise to always have as much faith as you showed me. I will never give up and always put God first just like you told me. I'm going to miss you so much.

Love your Granddaughter
