“ I met Jill when she shopped at Albertsons in Lancaster, CA. Although she was much older than me we became good friends. I lost touch with Jill after I moved but thought about her often. I'll miss her.

“ My name is Carmen M. Whaley, known to family and friends by my nickname, Singie, , and I live in Cleveland, Ohio. I knew Jill from the time I was a child. My Mother was Maxine Malcomb, and she and her entire family were friends of Jill's, in fact Jill lived with my family for several years while working at the May Co. in downtown Cleveland. Jill called me off and on throughout the years when she lived in Chicago and California. I lost track of her about ten years ago and was unable to locate her. I have often thought about her, and mourn her loss. She was like an aunt to me, and I loved her. Gina, if you read this note, please contact me at 216 641-0696. I'd love to hear more about Jill and receive an Obit. Thank you so much. Sincerely, Carmen Whaley
