June 24, 1958 - May 31, 2016

Nina Quinton, 57, passed away peacefully in her sleep at home in Odessa, TX on May 31, 2016 at 11:52 a.m. Nina was born on June 24, 1958 to Evelyn and Wallace Bergdahl. She had two sisters and a brother, Susan being the eldest, followed by Barbara, then Nina and the youngest being Jeff.

Nina enjoyed camping at Dillon's Beach. She enjoyed reading her books while fishing on a boat or on a shore. Nina's biggest joys were spending time with the love of her life, her husband, David and her children Nikki Plumel, Candi Kitts, KC Kitts, Lisa Neu and their spouses. She adored her grandchildren Kendrick, Kameron, Kendra and Kayden (mother Candi). Kelsey, Kaley and Kyanna (father K.C.) Dylan and Jacqueline (mother Nikki) as well as Kimberly and Zoey (mother Lisa), and one great grandchild, Parker (father Kendrick), as well as several nieces and nephews. She loved every single one of them with all of her heart.

Nina loved and enjoyed her in-laws tremendously along with her sister-in-law and family. She treasured all external family as well, including David's best friend Sherri. Nina had unconditional love for her friends, Cindi, Pat, Sabrina, Carrie and many, many more. She enjoyed spending time with them whenever possible and cherished all of her memories.

A special thanks to all the staff at MCH, Hospice Care and nurses.

“ *I have fun memories of my cousin Nina from when we visited her family in California a few times when we were kids. We reconnected a few years ago via email and then Facebook and supported each other during the illness and passing of our mothers (who were sisters) and my brother, and then of course when she became ill. I loved seeing the flowers that David bought her frequently and hearing about her children and grandchildren. It was with great sadness that I learned that Nina had lost her hard fought battle with cancer. I'm so glad that she was surrounded by such loving family. Prayers for comfort and peace for her family through the days ahead.*

“ RIP Nina. We grew up in the same town in California and went to DAHS together and graduated in 1976. We both ended up in Texas. We came across each other via FB and became virtual friends. We shared Cancer and chatted about it. My thoughts and prayers are with your family Nina.

Nina may you rest in peace, now. I know we're related by marriage, not blood. You are as much my sister as Kelly. We had so much fun last time the 3 of us got together. My prayers are with you and your family, sorry I didn't get the chance to meet him. He was so nice, I've heard. I love you and hope you're in a much better place. Love you, Kathy Brown 🌹

“ So many memories, yes. My mind is swimming in them. D'I'll onset Beach were always my favorite. Watching her sing n dance to Bad Company. Weven use to sit together prior to votingwe read the entire booklet together and discussed each issue. We looked at the pros n cons ..all of it! The day i turned 18..it was our ritual ..small or large election, we did it. Well, I can't write much right now ...I just miss her

“ I have so many memories of my mom, I don't know where to begin.. My favorite memories of my mom are every time she would say I love you to me, every time she would smile, every time she would hug me, and anytime I would hear her voice... My mom is my favorite memory.
