“ The Sanchez family shares our deepest condolences to the Alamager family and all our relatives. Keep strong and find comfort in these hard times; we live so we may know pain, but we know pain so we may recognize joy. Even now, Olga can trigger some sensation in all of us, whether it is remembered from a loving mother's touch, a beloved voice, or a fond memory of times past. So long as she can excite any one of our senses, she is only gone from herself. Not from us. Take care everyone and in the coming days we surround ourselves by family, allow the common bonds that we share between us bring us closer together.

“ There is no love like a mother's love,
no stronger bond on earth
Like the precious bond that comes from God, to a mother when she
gives birth.
A mother's love is forever strong,
never changing for all time
And when her children need her most,
a mother's love will shine.
God bless these special mothers,
God bless them everyone
For all the tears and heartache,
and for the special work they've done.
When her days on earth are over,
a mother's love lives on
Through many generations,
with God's blessings on each one.
Be thankful for our mothers,
for they love with a higher love
From the power God has given,
and the strength from up above.
