

## Omar Bustillos

January 3, 1977 - July 8, 2025

Omar Bustillos, 48, passed away on July 8, 2025, in Midland, Texas. Born on January 3, 1977, in Porfirio Parra, Chihuahua, Mexico, Omar's life was a vivid tapestry woven with creativity, faith, and deep familial love.

A devoted Christian whose heart beat in rhythm with his unwavering belief in Jesus, Omar found strength and serenity through prayer. His spirituality was not merely a private refuge but a radiant light that touched everyone around him. He lived his faith through acts of kindness and compassion-his generosity was quiet but profound, his presence gentle yet deeply felt.

Omar's soul spoke most clearly through art. A gifted musician, painter and original artist, he brought to life scenes rich with color and emotion. His fingers caressed the keys of his keyboard to create music that flowed from his heart and into our lives. His brush strokes carried stories only he could tell-stories born from imagination and shaped by experience and manifested in his art that echoed Picasso. Music was another language he spoke fluently; whether playing the keyboard, synthesizer or immersing himself in soundscapes from his vast collection of music and movies, he found joy in the rhythms that moved him and shared that joy freely.

His collections were more than hobbies-they were expressions of wonder. Figurines lined his shelves like cherished companions from beloved tales;

such as his Darth Vader. Video games and films offered worlds where storytelling reigned supreme and he loved sharing his world with his brothers and sisters via text messages or when we visited him. These passions reflected a man who saw beauty everywhere and delighted in sharing it.

Omar's laughter echoed warmly among those who knew him best. He had an infectious sense of humor and treasured long conversations with family over the phone-moments filled with affection and connection across distances. Every call was a thread strengthening the fabric of their bond. His passion was beautiful.

He was a beloved brother to Rafael, Hugo, Pablo, Alba, Elva, Olga, Elizabeth, Ruth, Aracely, and Alfa. Each sibling held a special place in his heart; to them he was more than family-he was a source of unwavering support and enduring warmth.

Omar now joins his parents, Rafael Bustillos Peña and Maria Pabla Bustillos, who preceded him in death. Though gone from this world too soon, the essence of Omar remains-in every painting that stirs emotion, every melody that lifts the spirit in videos that will forever hold his talents, and every act of kindness inspired by his memory.

May those who knew him find comfort in the legacy he leaves behind: one of creativity without bounds and love without condition. He will always be carried in our minds, spirit, and will flow as life blood through our hearts. Omar was a very kind and gentle sweet soul. Now God Almighty holds him now in His glory.

The funeral service will take place on Wednesday, July 16, 2025 at 10:00 AM at American Heritage Funeral Home, 4100 N FM 1788, Midland, Texas. Family and friends are invited to gather to remember and celebrate his life.

Psalm 23 The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures: he leadeth me beside the still waters.

He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

“ Omar was my beloved brother in law who was the brother I never had, just like my other brothers in law. He was an amazing person in and out. He will forever be missed and loved. We will cherish him in our hearts forever. We both shared the love of music and movies. Especially spooky movies and stuff. He was always excited to know we were going to visit because he couldn't wait to show me the new movies and spooky movies he had collected. We would spend hours watching them. He was very giving; always gifting movies and CDs to me before we would leave back home to San Antonio. He was so selfless and a gentle soul. He loved sharing his new finds with me. We loved to go to the thrift store together to see what awesome things we could find. I will forever cherish all the stuff he gave me. Omar was also an amazing artist. I absolutely loved all his paintings and art. One of the last conversations we had, I asked him if he would paint me something and he got so excited and said " yes I will paint you something cool". I was so excited to see what he was going to come up with because I know everything and anything he drew or painted was going to be amazing! Luna, Izaih and Jr loved going to visit because they couldn't wait to show their Uncle Omar the new games they had. Omar loved collecting and playing video games. They would love taking their video game systems over to play with their Uncle Omar. We love you so much Omar. This morning I was listening to a group we both liked, called Hole and the album was Celebrity Skin and I just started bursting out crying. All I could think of was Omar. We both had so much thing's in common that we were excited to share them with each other. All this feels so surreal but I know Omar is now in beautiful place with our heavenly father. Surrounded by his loved ones who have passed before him like my beautiful mother in law and wonderful father in law. May you rest in peace Omar!

Omar and I also love Syfy shows- like Spock from Star Trek says, "live long and prosper" 🙌

Love you my beloved brother Omar!! We will never forget you!!

My children, Izaih, Luna, and Hugo Jr, as well as my wife Amber Davila, will miss him so much. His company was second to none! His smile and laughter contagious, and his personality was one of a kind, like a bright blue sky dancing in a dream that will never end...
