“ Juanita and I would like to extend our most sincere condolences to the entire family. I only met Lucille one time in Post, thanks to Chuck and Anna Brooks. Lucille and I were first cousins, once removed. God bless you!

“ Granny Lucille was a beautiful spirited and loving lady. She would always hug and kiss you and tell you that she loved you. She always had a positive attitude and always wore a smile. She had the gift of turning your frown into a big smile as well. I did not get to spend alot of time with her in my older years but will never forget how she made me feel loved and special in my younger years. She loved her family DEEPLY and NEVER hesitated to say it or to show it.

Granny Lucille.

*It breaks our hearts to loose you, But know you did not go alone.
Parts of all of us went with you, The night God took you home.*

We all love you so very much Granny Lucille and we will see you again one day.

Granny Lucille was one of our most favorite people! Just to think about her makes me smile, as she was a woman with a big heart and a shining smile. Everyone called her Granny, even if you weren't related, and she welcomed you into her life from the moment you met her. She was an inspiration, and a role model that we can only hope to live our life as she did. A piece of our hearts go with her, but her love will always be in our hearts!

Rest in peace, Granny - we love you and will miss you...

Granny Lucille was one of a kind. She loved unconditionally. She was the most softhearted and strongest willed person we ever had the honor of knowing. We will miss her bright smiles and loving arms. We love you and will miss you, (and your cooking cause no one can ever do it as well as you did!). Till we meet again granny, in the loving lords arms know you will be missed.
