*It's been another long day, but today filled our hearts with many beautiful memories of "Granny Pearl's" service. She was loved by so many sweet family members and friends. It was standing room only at the chapel of the Funeral Home where the service was held. There were so many beautiful floral tributes sent, thoughtful words spoken and shared, beautiful songs sung, thoughtful loving eulogy shared by her preacher who was also her friend, and also provided a comforting message to all who were there. It was a wonderful celebration of her life!! We were truly blessed by the presence of each of you who were there. Thank you so much for being there at this sad time to comfort each of us. Please know we love and appreciate so much your kindness, the food provided, and the prayers offered on our behalf. Thank you all so much for caring and sharing with our family. We were all was doing really well today until the end of the service when I heard "my little Gracie" just "sobbing" and truly upset as she suffered with the painful loss of her great grandmother. She is such a sweet sensitive little girl. Her sobs certainly made this "Granny" cry!! She loved the time she spent with Granny Peal and Papa Bud on Sat Mornings when she would go with Randy to see her while he helped with a few chores. She*

*always wanted to go and see Granny's Pearls' parakeet that talked and sounded "just like Granny". (the little parakeet died back in the summer unexpectedly.) Gracie told me today when we were leaving that "she thinks that parakeet would be there in heaven waiting on "Granny Pearl" when she got there and would say "Hello Granny Pearl glad your here!!!! I had to agree!!*
