Robin you are a sweet, kind, and quietly gracious cousin. I am sad for not being aware of your passing sooner but very thankful for your faith in our Lord Jesus and your forever home with Him. I look forward to the time it is His will for me to join Him also.

“ The last time we talked I said, “you, Cindy and I need to get together and have dinner again” You said, “Yes we do.” I’m heartbroken to know you aren’t with us anymore and we won’t be getting together again, that’s selfish of me I know because I know you couldn’t be in a better place than you are right now with our Heavenly Father, Jesus, your beautiful mother whom you have missed since the day she passed, your father, Dixie, Bug Bug and so so many more. You were such a dear friend to me and my son. You always went out of your way to help anyone who shared your passion in dogs and showing. I couldn’t of helped my son full fill his dreams of showing if it hadn’t of been for you taking the time to help me and teach me. Little did I know meeting you at a part time job for me you would be come a life long friend (22 years just wasn’t long enough) that I would grow to love so deeply at the time. You were so caring, helpful, giving of your time, and truly kind to so many. I love you Robin and will miss you dearly!! This isn’t good bye because I know I will see you again one day.

“ I worked with Robin many years ago at IRI. She loved to talk about her dogs. The joy in her eyes always made me smile. We would sit and talk about dogs any chance we got. Later in the years I would see her and one of her babies at events and we always stopped to talk. It breaks my heart to know she is gone but, I know she is happy to be with her parents whom she has missed so much. Thank you for touching our lives, Robin.
