“ I saw Rosey a few weeks ago at Tractor Supply where I work. I was with a customer at the time but excused myself when I saw him. I yelled "Rosey" across the store. He was leaning on his basket waiting for me to see him I guess. I ran to him and hugged his neck as tight as I could. We talked a few minutes about what we were both up to since I hadn't seen him in a few months. Then he went on his way. If I would have known that would be the last time I saw him I would have squeezed his neck again. I knew Rosey almost 20 years. He was my friend from day one. He always had an ear to listen to my troubles and the advice of a papa bear to guide me. I will truly miss you. May you Rest In Peace Rosey
