

Ryan Lee Livingston

August 27, 2002 - December 21, 2025

Ryan Lee Livingston, age 23, of Midland, Tx, passed away on December 21, 2025. His absence leaves a space that cannot be filled, and a grief that speaks to just how deeply he was loved.

Born on August 27, 2002, in Midland, TX with twin brother Bryan Livingston by his side, to Heath Livingston and Kristy Sanchez. Ryan lived a life that mattered. One forever embedded into the hearts of those who knew him. He carried gentleness, strength and all the dance moves. His presence was something people leaned on, often without realizing how much they needed it. Adventure lived in him, not always loudly, but in his curiosity, his courage, and the way he followed wonder.

To love Ryan was to be changed by him. With a gentle spirit, he gave his time and love freely, offering comfort to those in need, lifting others with his kindness and leaving a mark on every life he touched. In the quiet moments now, his laughter, his voice, and his love remain.

Ryan was preceded in death by sister Raelynn Livingston-Pearson; Great Grandparents Ralph and Anetta Arnett, Grandparents Orus "Rusty" and Bonnie Livingston, Great Grandmother Maria "Aca" Mora, Great-Great-grandmother Delfina Mora; Aunt Crystal Livingston, Uncles Pablo and Mike Mora.

Ryan is survived by parents Kristy Livingston, Heath and Melissa Livingston; Grandparents Rocky and Essie Pearson; Aunt Kim Pearson; Siblings Bryan Livingston, Genesis Pearson, Desiree, Miranda, Albert and Angel Martinez; Stepparents Albert and Monica Martinez; many aunts, uncles, cousins, nieces and nephews who will carry his memory forward in stories, habits, and the love that does not end with goodbye.

Grief will walk with us forever, but so will gratitude, for the time we had, for the love that was shared, and for a life that will always be part of ours.
