“ I remember Scott always had a smile on his face and beer in his hand and if you didn't he would offer ya one even if they weren't his to offer! I will miss his stories and his laugh! He had a heart bigger than Texas and he wasn't afraid to show his emotions! He is a man I looked up too and still will, he is a great father figure to not only his kids but their friends as well! Scott you will be greatly missed!

“ I just remember how Scott always made us kids feel welcome! He loved when we would come and visit. He always said I was his favorite friend (later we realized we were distant relatives). He will definitely be missed and always be loved.
