“ *Doyle was one of the sweetest men I have ever met. My husband was honored to work beside him at the coal mine in New Mexico. He wasn't just a co-worker to my husband, he was a great friend. I am so glad that I got to spend the time with him that I did. I will cherish those memories forever. My heart just aches knowing that he left this world. But, I know that he is in a much better place now. Rest in peace my good friend. We love you always and forever.*

*Love, Laura, Ryan and Ava Simkins.*
