“ *Skylyn loved people. She never met a stranger, which was a little terrifying but she also never drifted far from her Mommas eyes! When people met Skylyn, they were immediately drawn to her special tenderness and human kindness. Her eyes and smile were such a special feature that you felt how connected you were to this young woman that devoted attention to her right away. She will always be in my heart forever. Never a day will go by that she's not missed and truly loved. I will forever carry her memory and joy with me, everyday for the rest of my life!
Till we meet again, sweet Skylyn LaRae!! My sunshine! My world!
My heart!
