“ With just learning of such a great lost, my heart is really heavy and broken. I met Teizo at Paul Quinn this 2022 February, where we both work. He was a kind and sweet soul. Every time we saw each other it was with a warm hug and a pleasant greeting. It's not about how long you've known an individual but the impact they have on you in that length of time speaks volumes. Thank you God for sharing this soul with us. God Bless the family as my prayers are with you.

“ Who would've thought that the Mothers Day Brunch at the church which was an amazing time, would be the last for me to see or hear that AhMazing singing voice that you served us and loved us like no other. No questions asked just loved us and served like no other. I only knew you for a short time but I will have lasting memories of how you gave and that voice!!! God needed his lead singer to complete his choir. Sing and rest now in the arms of the Lord. You will be missed. Praying for you family
