“ I was lucky to give my great grandma away to Terry. He made her smile every single day, always with his ridiculous jokes- and he always had them ready! You always knew when he had a good one because he'd get a glimmer in his eye and a cheeky grin. He made the BEST cinnamon rolls- heavenly. Waking up to the smell of cinnamon rolls was the best! He taught me how to drive, they got me set up in a motorcycle riding course, and even let me pick out my own motorcycle. Just like oma raised and taught me everything, he also taught me what he could. I wish I'd gotten to hear his wise cracks and see his cheeky grins at my wedding. But I'll always remember them and that glimmer in his eyes, always ready to crack a gold joke.

“ Terry was one of my best friends for almost 50 years.

*We shared many similar interest, old VW's, motorcycles, dirt bikes and tools. Terry was a great conversationalist and had a good sense of humor. I always enjoyed his jokes and stories. Terry was noted for his ability to keep in contact with his friends. Many memorable dinners in Western Maryland, Seattle, LA area and Dirt bike riding in Southern Cal. More recently, Char and Terry would meet up with us at Deep Creek Lake area in MD. I always looked forward to his visits.*

*My life was enriched by having Terry as a treasured friend. He will be missed.*

*My thoughts will be with Char and his family during this difficult time.*

“ *I was blessed to be a caregiver for Terry when he resided at Legacy Ranch. He had a wonderful sense of humor and was always joking. He would talk to me about how he liked to cook. Char says that he was an amazing Chef. His favorite time was when Char was there with him. He just lit up. That's when I saw the true Terry. He adored her. He smiled and you could see his love for her in his eyes. Terry will be missed. I pray for peace for Char and the family. Gina Guynes*
