Theresia Li Vogel (Richardson), 58, of Odessa, passed from this earth and gained her heavenly wings on Friday, December 24, 2021, in Odessa, TX.

Theresia was born in Lubbock, TX on August 15<sup>th</sup>, 1963, to Sue and David Richardson. She spent parts of her childhood in Amarillo, TX, Clovis, NM, and much of her life in Odessa, TX. She grew up as the younger middle sister between three sisters and one brother.

After graduating from Permian High School in 1981, Theresia married and started her family with two children, whom she cherished. She later obtained her Associates in Applied Science for Clinical Laboratory Science from Odessa College, became licensed as a Specialty Technician in Chemistry and Toxicology, and worked as a Medical Lab Technician for nearly 15 years. Later in her career, she worked in the oilfield as a transport driver. She often spoke about how much she loved to drive across the southern U.S. and seeing see all the beautiful sights the world had to offer.

Theresia was an extremely caring mother to her two children and a loving and fun "Granny T" to her four grandchildren. She loved to romp and play with the grandkids around the house and yard. She loved to sit on the patio, listen to music, and enjoy nature. She also loved to watch TV and movies, specifically sci-fi movies and series. She will be missed dearly and remembered by so many people whose lives she touched.

Theresia requested no formal services be held. The family asks that you honor her memory in your own way, and celebrate her life and the happy memories we all shared with her.
