“ *Cody,
I am so very sorry about your mother's passing. I have been in that position several times with the loss of my 14 year old son, and my dad. It is never easy, but God is the ultimate comforter and healer. Lean on him. God bless you and your family,

You guys are going to come out so strong. How I have gotten through our other 2 losses is knowing that I have a guardian angel watching over me and now you have a amazing one watching over you guys always and forever, watching her grandkids grow and her kids grow still making her a proud mom a nana. I hope this helps you guys I love you all more the you know and you know we are here for you no matter what.*
