

Vicky Lee Harmon

November 2, 1953 - October 6, 2021

Vicky Lee Harmon "Tweety" took her last breath peacefully on Tuesday, October 6th, 2021 while surrounded by her loving family.

She was born November 2nd, 1953 in Lubbock, Tx to James and Billie Holloway. She is survived by one daughter, her true pride and joy, Teri Lee Slaughter and the love of her life and husband, Doug Haynes.

Tweety took her own path in life. She was a true rebel and wild woman. She loved the thrill of the ride and excitement in life. In 1974 she joined her second family of Brothers and Sisters, The Last Few Motorcycle Club. She was a proud and faithful Sister. Always involved in helping the community by organizing fundraisers to help someone in need. One of the events closest to her heart was being involved with The Last Few Toys For Tots program during the holidays and adopting families for Christmas. She also devoted her time to being there for her Mom and Dad, and looking out for them in their final years. They were her best friends and biggest cheerleaders.

She loved her grandchildren and great grandchildren more than anything in

this world and loved to play tickle monster with them.

Others she is survived by include her brother Danny Holloway, sister Paula DeAngelo, granddaughter Sha'Lee Branden and husband Justin Branden, great Grandchildren Ry'Lee, Camlee, and Jameson and many nieces and nephews (a couple of whom rivaled for the title "favorite niece" Beverly & Minna.

She was preceded in death by her parents, sister Patty Gilliam, grandson Luke Anthony Brown Jr, niece Allison Dagg, sister in law Laurie Holloway, brother in law Tony DeAngelo, and many brothers and sisters Last Few all of whom we know she is now embracing.

She had accepted many as her family. Adopted children Jody, K'lei, Melissa, and "The Good Kid Terry".

Sisters by love: Debbie Mc, Mona, Sherry Dean, Brenda, Debbie AA and many more

Brothers by love: RD, Buster, Ben and many more.

A memorial will be held from 1-3 pm on October 30th at Big Daddy's in Odessa and another the same day from 4-7 pm at The Last Few Motorcycle

clubhouse.

If you knew her, you knew a truly loving and accepting soul. We are comforted by the beauty of her healed, whole spiritual body and mind and the absence of pain and suffering. She is now riding with the angels on the Golden Streets in Heaven!!

This is not goodbye Mom, This is I will see you later!!

“Life should not be a journey to the grave with the intention of arriving safely in a pretty and well preserved body, but rather to skid in broadside in a cloud of smoke, thoroughly used up, totally worn out, and loudly proclaiming "wow! What a ride!”

Hunter S. Thompson
