“ *Sending my love to the family. I met Vincent earlier this year at school and would sit next to him everyday in class. He was always dressed nicely, pretty funny, respectful to those around him and had a bright personality. He was such a good friend and I'm glad I met him.*

“ We offer our prayers for the family. May God comfort you and grant you peace. I have known Vincent since summer school last year. I am saddened by his passing. I remember him always telling me how great he was feeling because he was able to work out that day before going to school. He always has a smile on his face and was always very cordial and respectful. I will surely miss him.
