“ Randy was a true friend to my family. He and Jeff were two peas in a pod. They were both dedicated individuals that always put their families first. He was a great baseball coach for Chelsea and John and the rest of the Indians team, Teresa would offer coaching advice to Randy and Jeff, but they didn't always take it but she and I did have fun voicing our opinion. LOL, I will always treasure our Astro's game weekend. We all had such a great time together. Randy was so loved and respected at ARCO because of his great work ethic. He was a one-of-a-kind man that will be missed. His legacy will live on through his children and grandchildren because of the example that he left for them to live by. He will be missed but his treasures are in heaven where he has earned his crown. Who knows, he and Jeff may have a baseball team going on in heaven with Teresa in the stands keeping them in line.
