“ My brother was an awesome person, he helped many, shared so much and loved his family so much. Back in the day he was my protector and teacher. He loved the Lord and his teachings. He did not deserve to be shot at 23 years of age, but he handled it as well as he could. He was an awesome musician, played the drums in a local band, was an all star pitcher/catcher, played football (Lifelong Cowboy's fan) Golden Gloves Boxer and so much more. He taught me to ride a bike, loved the Lord and forgive when forgiveness should not have been. I'm his little sister and he was so protective of me always. I miss his smile, his love and not being able to see him any longer. Although, I can still hear him and feel him, I know that our Lord has a special place for him. He is now with our mom, dad, sisters, Margie and Lavern, and brother Melvin and our beloved nephew Harold Wayne. You will always be in my heart and when I cross I will see you and the rest of the family again. Until then, know that I love you so much and will always be grateful for the days and years we had together. Rest In Peace, my brother. Until we are together again. Little Sis, Jennie.

Did you live in Sparks NV by chance? I loved a young man named Keith Oldaker and his family moved to Texas.

“ Uncle Keith, I will always cherish the time I spent with you in your apartment while I was working temporarily in Abilene. During that time I was great to reconnect with you.
